

# 11.6" Orbus Hard-Sided Work-In Case

TBD01802AU

## Overview

Step into style with our unique hard-sided case, the Orbus™. It is ideal for use as a protective cover for your laptop as well as a lap desk when on the go. The hard finish EVA\* outer shell acts as a protective barrier while the interior is lined with our New and improved patent pending dual layer foam protection system to safeguard your laptop from damage. The thoughtful internal design also aids in the ventilation of your laptop while in use. The silver interior gives it a fresh and trendy look.
